If a tender contains a defect or fails in some way to comply with the requirements of the tender documents, which in the sole discretion of the County is not material, the County may waive the defect and accept the tender.

The County reserves the right to accept a tender other than the lowest tender, deemed to be most favourable in the interest of the County, as per the evaluation criteria in Section 4.6 of this tender document.

It shall be the responsibility of the bidders to confirm with Brazeau County that the tender has been received prior to the closing date.

No pre-tender meeting will be held; however, examination of the site conditions is strongly recommended.

1.0 INSTRUCTIONS TO BIDDERS

1.1 DELIVERY OF TENDERS

Each tender must be submitted in a sealed envelope plainly marked and addressed as follows:

TENDER FOR “2019 ROADSIDE MOWING TENDER”

1.2 ACCEPTABILITY OF TENDERS

The tender must be submitted on the forms provided.

If there is a discrepancy found between the unit prices and the total amount, the unit price will be considered as representing the intention of the bidder.

The bidder shall fill in every item in the tender form. Where quantities are not given, unit prices only shall be entered.

If a tender contains a defect or fails in some way to comply with the requirements of the tender documents, which in the sole discretion of the County is not material, the County may waive the defect and accept the tender.

The County reserves the right to accept a tender other than the lowest tender, deemed to be most favourable in the interest of the County, as per the evaluation criteria in Section 4.6 of this tender document.

Except as expressly and specifically permitted in these instructions to bidders, no proponent shall have any claim for any compensation of any kind whatsoever, relating to this tender including accepting a non-compliant bid, and by submitting a proposal each proponent shall be deemed to have agreed that it has no claim.

1.3 WITHDRAWAL

A bidder may, without prejudice to himself, withdraw his tender at any time up to within two (2) hours of the time set for closing of the tender.

1.4 SITE CONDITIONS

The bidder must examine the site of the work before submitting a bid, either personally or through a representative, and satisfy himself as to the nature and location of the work, local conditions, the nature and quality of the materials to be used, equipment and facilities needed primarily to and during the prosecution of the work and all other matters that can in any way effect the work under this contract. Submission of a tender by the bidder acknowledges awareness of all matters that such a site inspection would reveal to a reasonable bidder, including the ability to locate the sites when the work commences.

1.5 COMPLETION DATE OF WORK

The successful bidder shall complete all the work on or before December 31, 2019.

1.6 GOODS AND SERVICES TAX

Tender prices are to be submitted Goods and Services Tax exempt. Appropriate adjustments for the Goods and Services Tax will be added to the total tendered amount by Brazeau County.

2.0 TENDER FORM

I/We, the undersigned (also referred to as the “bidder”, and the “Contractor”), having fully read the contract documents and inspected the site, hereby agree to execute and complete the work contemplated in strict accordance with the said contract documents at the prices stipulated in the Unit Price Schedule. It is understood that:

1. No claims shall be made by the bidder on account of any loss of anticipated products resulting from any excess or deficiency in the estimated quantities.
2. Payment for the work under this contract will be made on the basis of quantities measured and at the unit price submitted, which shall be compensation in full for all the work done under the terms of the contract.
3. The prices quoted shall bear a proper relationship to the values of work done or the materials supplied.
4. The County reserves the right to terminate or to cancel any or all portions of the work and no claim shall be made on account of any loss of anticipated profits resulting from any cancellations or terminations of this contract.
5. If a tender contains a defect or fails in some way to comply with the requirements of the tender documents, which in the sole discretion of the County is not material, the County may waive the defect and accept the tender.
6. The County reserves the right to accept a tender other than the lowest tender, deemed to be most favourable in the interest of the County, as per the evaluation criteria in Section 4.6 of this tender document.
7. All unit prices of items not specifically listed in the Unit Price Schedule shall be assumed to be included in the unit prices items listed.

4.3 LIABILITY INSURANCE

The Contractor shall adequately insure, to the satisfaction of the County, to protect the service to the County and the Contractor shall provide certified copies of all insurance policies in the amount of a minimum of \$5 million liability insurance.

4.4 TENDER SPECIFICATIONS

Brazeau County ("the County") is seeking Tenders for the mowing of the local road right-of ways, 15 feet (4.5 meters) off the shoulder to the fence line on all Brazeau County roads. The contractor is to work alongside the County owned mower unit, with the end result being a full ditch cut. The County mower will complete the shoulder cut on all roads, with the contractor mowing the remaining ditch to the property line.

The Work shall consist of mowing all grasses, weeds, brush and small trees in the areas described as local road Right-of-Ways located in Brazeau County in the areas as designated by the County's Agricultural Services Division or designate.

The purpose of the Work is to control the growth of grasses, weeds and brush on local road right-of-ways with particular attention to the side slopes and ditches. This activity will provide an aesthetically pleasing right-of-way and reduce the problems caused by weed growth and snow drifting.

All of the Work shall be performed in such a manner that it results in a stand of mowed growth, which is acceptable to the County's Agricultural Services Division or designate. The Work will commence upon direction of the Agricultural Services Division or designate.

The maximum size of trees that will be required to be cut shall be: 2.5 cm (one inch) in diameter measured 10 cm (4 inches) above the ground line.

Property line to shoulder cut on both sides of the roadway. Mowing shall begin at the fence line and continue to the edge of the shoulder cut until the full cut is achieved. Maximum cut height will be 10cm (4 inches). All full cuts to be completed by December 31, 2019, time extension is to allow for mowing in areas that will become accessible when frozen. (All local roads, not including highways and secondary highways).

All slopes on cut or fill sections where the slope is 3:1 or flatter and the cut is lower than 3 m (10 feet), shall be mowed unless otherwise specified by the Agricultural Services Division or designate. In order to allow the mowing unit to traverse to more level terrain when slopes greater than 3:1 and higher than 3 m (10 feet) are encountered, only a 4.5 m (15 foot) minimum width swath shall be required. High fills with guard rails shall be mowed so that the top of the grass is below the level of the outside shoulder edge. Any and all approaches must also be mowed.

The Contractor shall be responsible for removal of minor rocks or debris which interferes with the mowing conditions, from the right-of-way. Major debris shall be reported to the County's Agricultural Services Division or designate for removal.

The Contractor shall ensure all his employees have all the necessary safety equipment including but not limited to hard hats, high visibility vests, and steel-toed boots. If any employee arrives on-site without the proper equipment he will not be allowed to perform the Services.

The contractor, upon successfully obtaining the tender, will need to complete Brazeau County's Safety Orientation before any work commences.

The Contractor shall provide the equipment noted on the Unit Price Schedule included in the Contractor's Tender. If any equipment is changed from the Unit Price Schedule, that change must be acceptable to the County's Agricultural Services Division or designate, and the Unit Price Schedule will be amended, and the amended list shall form part of the Contract. The Contractor will have his equipment available for inspection by Brazeau County personnel before the Contract is presented for signature. Brazeau County accepts no liability for ensuring the equipment is capable of performing the work required.

The Contractor is responsible for providing the equipment identified and shall maintain it in good condition following the manufacturer's specifications for the duration of the Contract, so as to provide a **clean mowing cut** at all times.

The Contractor shall provide a skilled and experienced operator, familiar with highway traffic movements and laws governing vehicular traffic. When not in use, equipment must be parked in

such a manner so as not to create a hazard to traffic or an impediment to visibility along with the County equipment, as per the direction of the County's Agricultural Service Division or designate.

The Work area limits shall extend out from the existing roadway to the right of way limits, from fence line to fence line, high bush line to high bush line, or as determined by the County's Agriculture Services Department or representative.

The County retains the right to cut or spray any portion of the local road right-of-way for any purpose which the County's Agricultural Services Division or designate deems necessary. It is the responsibility of the Contractor to check with the appropriate local authorities as to which areas, in which the Work is to be performed, have been treated with herbicides or pesticides.

The Contractor may be required to return and mow areas missed due to unfavorable ground conditions, upon direction of the County's Agricultural Services Division or designate.

Mowing shall be performed in such a manner that there are no missed areas between passes and as close to fences, signs, culverts, temporary phone lines, pedestals or roadway appurtenances without causing damages to said appurtenances. Any damages caused to the above items **will be the responsibility of the contractor** to repair or correct.

The Work shall be performed during daylight hours only.

The County will remain as the Prime Contractor. Daily assignments will be conducted by the County's Agricultural Services Division or designate.

4.5 EQUIPMENT AND MATERIALS

The Contractor shall supply all equipment and materials necessary to perform the work for this contract as per the Unit Price Schedule.
