

RCMP POLICING PRIORITIES

The RCMP is committed to preserving the peace, upholding the law and providing quality service in partnership with the communities it serves. The purpose of this brief, seven-question survey is to ensure the public has a say in what the RCMP priorities are for the region. This is not a crime reporting tool but allows the public to provide input into how policing priorities are formed.

Each year, RCMP from the Drayton Valley and Breton detachments establish policing priorities to ensure that, in addition to responding to calls for service, members focus on the policing issues identified by the public as being the most important. These priorities are determined based on the feedback the RCMP receives from the municipalities and communities they serve.

Brazeau County, the Town of Drayton Valley, and Parkland County have partnered with the RCMP to conduct this brief survey to ensure that RCMP priorities align with those of the public. Information collected from this survey will be reviewed and considered by the RCMP, County and Town Councils. Please note, Tomahawk is served by the Drayton Valley RCMP detachment and this survey is intended for residents of Tomahawk and the immediate area only.

This survey will remain open until February 8th, 2022.
