Brazeau County Administration Building Open to the Public June 15th

BRAZEAU COUNTY, June 11, 2020 — With the provincial health emergency declared by cabinet set to lapse June 15, the Brazeau County Administration Building will be open to the public beginning Monday, June 15, as per Council motion 404/20-06-02.

Visitors are asked to maintain physical distancing from other visitors and staff while in the building, and are asked not to enter the building if they are feeling sick.

Pre-authorized debit, mail, bank, and credit card payment options remain available for taxes and utility payments.

Beginning with the June 16 meeting, all Council meetings will be held in the Council Chamber, and the public is invited to attend in person, while maintaining physical distancing.

Brazeau County appreciates the patience of all residents since the closure of the building March 20, and all of the efforts to keep the county free of any confirmed cases of COVID-19.
