

## **Brazeau County is Hiring!**

We are currently looking two enthusiastic and responsible individuals to fill our Parks Mower Operator positions. These positions are responsible for the vegetation control necessary to upkeep the County's parks and public spaces.

### **Responsibilities:**

Under the general direction of the Lead Hand, the Parks Mower Operator performs the following duties:

- Perform mowing of:
  - Parks
  - Municipal reserves
  - Campgrounds
  - Community Halls
  - Cemeteries
  - Hamlets
  - Sub-division ditches
  - Sewage lagoons
- Operate other parks vegetation equipment including:
  - Harrowing
  - Rototilling
  - Seeding
  - Aerating
- Maintain equipment and perform minor repairs
- Use and application of pesticides
- Identify and report all necessary repairs, malfunctions, or maintenance problems to the Lead Hand and ensure they are addressed
- Maintain activity records, logs and reports
- Overtime and weekend work will be required when necessary
- Shift work may be implemented as required, this may include emergency response

### **Qualifications:**

- Experience and knowledge of mowing equipment operation
- Ability to follow precise instructions
- Ability to work with little or no supervision
- Valid Class 5 Drivers License

Closing Date: January 25, 2019

Please send your resume with cover to Angela Wong, Human Resources Manager at [awong@brazeau.ab.ca](mailto:awong@brazeau.ab.ca)
