

Brazeau County is Hiring!

Are you a self-starter? Able to work with minimal supervision? Looking for summer work?

Brazeau County is currently looking for three Sprayer Operators to work a period of four months during the course of the summer.

The Sprayer Operator is responsible for herbicide applications on municipal and private lands for weed and brush control based on the County's Vegetation Management Program.

Responsibilities:

- Perform vegetation management activities on County owned property and roadsides, as well as on private property
- Safely operate and maintain equipment, including trucks, trailers, spray equipment, and tools
- Record keeping
- Other duties as assigned

Qualifications:

- Ability to perform physical labour
- Pesticide Applicator or Authorized Assistant Certificate would be an asset
- Ability to operate an all-terrain vehicle
- A background in agriculture is an asset
- Valid Class 5 Drivers License

** Overtime and weekend work will be required when necessary. Shift work may be implemented as required, this may include emergency response.

Closing Date: February 1, 2019

Please send your resume with cover to Angela Wong, Human Resources Manager at awong@brazeau.ab.ca
